OUR STORY....

Italian Kitchen & Bar in the heart of Clerkenwell since 2013

Being Italian, we take great pride in our food and cooking the traditional way, with our chefs on show for all to see.

Our head chef Manuel draws influence from all regions of Italy to create our seasonally changing menus.

At Paesan, we believe that there is nothing more important than family and food and that's why our passion and love goes into everything we do.

Simple, well cooked dishes served by our passionate staff, we welcome everyone into the Paesan Family.

OUR FOOD....

We change our menu seasonally, source produce locally and import the very best ingredients from all over Italy. Our famous creamy burrata gets delivered from Puglia twice a week

Our menu includes Paesan classics, dishes our staff and friends grew up with and love to cook - just perfect for sharing with friends & family

Every month we choose a different region of Italy and pick our favourite dishes to appear on our special boards.

We continue the tradition of Italian street food by offering pasta on-the-go at our street food stall, every lunchtime Monday-Friday

Come and enjoy traditional Italian food with our Paesan twist
